

# Hi, my name is Kyle

681 Evergreen Ave  
Brooklyn, New York  
781.385.0524

## Education

### **BS in Interactive Media and Graphic Design**

Fitchburg State University  
(2007 - 2011)

## Experience

### ■ **Embedly** (March 2014 - September 2014) Lead Front End Designer

Working in all aspects of the company as lead creative. Advised and designed all collateral, user interfaces and product design. Designed and implemented wireframes and prototypes.

### ■ **Racepoint Group** (November 2013 - January 2014) Contract Front End Developer

I worked as lead developer on a custom Wordpress project for a large international website. I worked directly with project managers to build solutions in a timely manner.

### ■ **Hill Holliday** (September 2013 - November 2013) Contract Web Designer and Developer

Developed and designed reusable and lightweight responsive frameworks. I also worked alongside the senior front-end designer to build Hill Holliday's outward facing website.

### ■ **Burst Media** (November 2011 - June 2013) Web Designer and Interactive Graphic Designer

Designed and developed interactive rich media alongside development team. Focused on web technology such as CSS, Wordpress, and javascript.

## Web Skills

**HTML5**

**Javascript**

**CSS Pre Processors**

**Grunt**

**Bower**

**Git SVN**

**Wordpress**

**MV\* Frameworks**

**Responsive Design**

## Interests

**Drawing comics, discussing good movies, and biking.**
